## Camping-themed Snack Ideas

Below you'll find a list of camping-themed snack ideas that are easy to create. We've provided families this same list so that they can recreate snacks from the party with their kids at home.

- Sprinkle crushed cookies on top of a chocolate pudding cup. Top with gummy worms or gummy spiders
- Create a snack mix by combining an assortment of dried fruit, chocolate chips, pretzels, and O-shaped cereal. A savory version can be made by including cheese crackers, nuts or sunflower seeds, popcorn, cereal, or rice puffs
- Wrap a piece of lunch meat around a string cheese, pickle spear, or rectangular cheese cracker
- Slice a banana into coins. Spread a layer of nut or seed butter on top of one slice of banana. Add another slice of banana on top. Repeat with remaining slices. You can also use mini rice cakes instead of or in addition to the bananas
- Top apples, carrots, or celery sticks with nut or seed butter or cream cheese. Dot raisins across the top
- Place half of a graham cracker on a plate and top with a piece of chocolate and a marshmallow. Microwave for 20 to 30 seconds until the marshmallow puffs up. Take the plate out of the microwave and top with another graham cracker half

**NOTE:** Please adjust snacks to accommodate any attendee dietary restrictions as necessary.

## Fuel up for your camping adventures with a snack

When you're out in the wilderness you need energy for all your adventures. Here are a few snack ideas you can create on your own whether you're camping in your backyard, your imagination, or outdoors.

## COMPLETE AN ACTIVITY AND GET A CAMP BADGE

A lot of hard work goes into completing an activity and we want to honor your effort. The activities on the following pages have badges that go along with them. After completing an activity, find the matching badge on the next page. You can then color in the badge, cut it out, and tape or glue it to the matching activity page.

## Create Your Own \_\_\_\_\_ Story (camping)

To create your own camping story, you'll need to work together with at least one other person. Pick one player to be the reader. The reader will ask the other players, who haven't seen the story, to fill in the blanks with words such as nouns, exclamations, adjectives, and more.

Once all the blanks are filled in, the story can be read aloud.
